

When Facing School Bus Cuts

There are several steps schools can take when courtesy busing is **ELIMINATED** or **REDUCED**

✓ Plan Ahead and Communicate ASAP

School community concerns should be heard and options considered

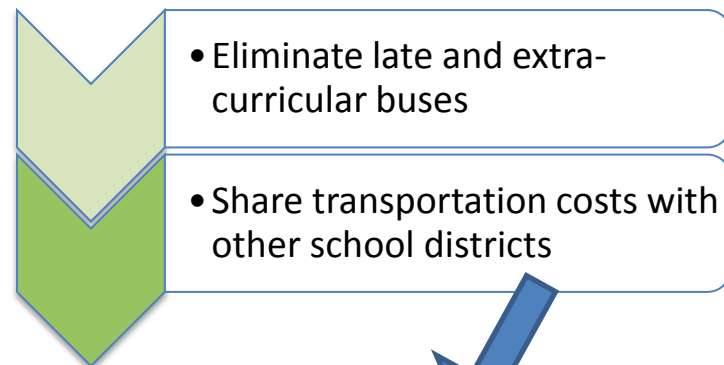

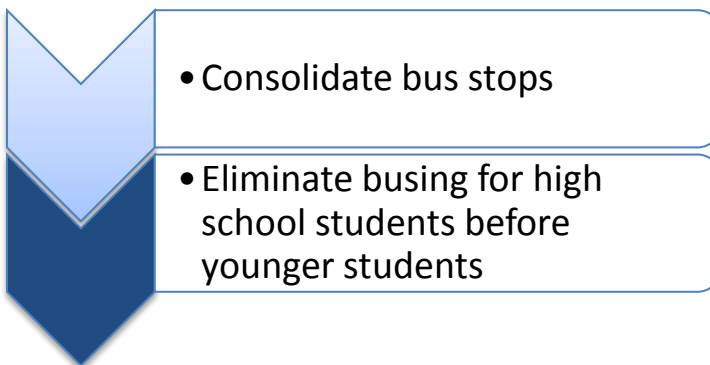

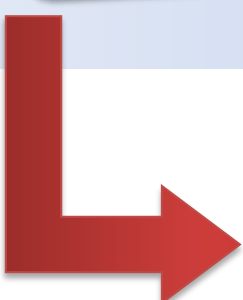

More students will walk & bike, so plan for it!

✓ Assess Walking and Biking Conditions

Plan and create school travel plans
Ensure schools have supportive walking and biking policies

✓ Consider Busing Alternatives

✓ Work with Municipalities to ensure Safe Routes to School

- Build strong relationships with municipality to plan improvements (i.e. sidewalks, trails, traffic calming, crossing guards, etc.)
- Educate students and parents on walking & bicycling safely
