

CAMINA CON CUIDADO

¡CUIDADO!

Usa las líneas para cruzar las calles. Siempre cruza la calle donde haya linea, si hay linea cerca. Si no, cruza en una esquina. Y no en medio de la quadra.

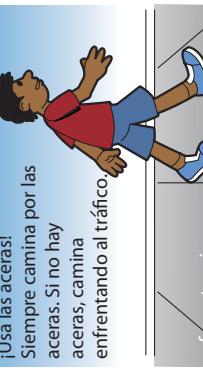

¡SE VISIBLE!

Usa ropa clara, brillante, y reflectiva en la noche. Facilitale la vista a los choferes.

¡SE INTELIGENTE!

Voltea a la izquierda, a la derecha, y de nuevo a la izquierda. Y si hay carros al lado izquierdo, al lado derecho, y al lado izquierdo para asegurar que no hayan carros antes de cruzar la calle. ¡Camina, no corras!

SAFE RIDING

Be safe!

Use crosswalks! Always cross the street at a crosswalk if one is near. If not, cross at a corner, not in the middle of the block.

Be seen!

Wear light, bright & reflective clothing at night. Make it easy for drivers to see you!

Be smart!

Look left, right, left! Look for cars coming from the left, from the right, and from the left again to make sure the street is clear before you cross. Walk, don't run!
